FOR IMMEDIATE RELEASE:

**TRI-CITIES CANCER CENTER TO OFFER  
PAIN SERIES: FINDING BALANCE**

**Kennewick, WA** – Tri-Cities Cancer Center is hosting a free presentation **Tuesday, September 13, 2011 from 12:00 – 1:00 PM** in the Wellness Center. Ken Call, PT, DPT, will facilitate the presentation Finding Balance.

Chronic pain affects many people and often is the result of life imbalances instead of a physical injury or condition. In some cases, chronic pain can be alleviated through living a balanced lifestyle.

Ken Call, owner of West Kennewick Physical Therapy, received his Doctorate in Physical Therapy from Des Moines University. Through this presentation, Ken will help attendees explore ways to improve their overall health, fitness, and quality of life through an understanding of the relationship between physical, spiritual, mental/emotional, and intellectual fitness.

A complimentary lunch will be provided, with a reservation, courtesy of Parkview Estates Senior Living. Reservations will be accepted through September 11, 2011. **To reserve a seat for the seminar or for more information, please call (509) 737-3427.** The Tri-Cities Cancer Center is located at 7350 W. Deschutes Ave., Kennewick.

The Tri-Cities Cancer Center is able to offer programs like this at no cost, thanks to generous contributions from organizations like CH2M HILL and others. Donations to the Tri-Cities Cancer Center Foundation stay local and are used to provide valuable non-reimbursed cancer programs and services for patients, their families and the community.
