MEDIA RELEASE

FOR IMMEDIATE RELEASE:

**MERIDIAN TAPPING FOR PAIN MANAGEMENT -
A PAIN SERIES PRESENTATION**

Kennewick, WA – The Tri-Cities Cancer Center, a leader in radiation oncology in southeastern Washington and northeastern Oregon, will host a free presentation on Friday, February 10 from 1:00 – 2:00 PM in their Wellness Center. Connie Vandergriff, MS, will facilitate the presentation *Meridian Tapping for Pain Management*.

Meridian Tapping is accomplished through a series of taps at the end of acupuncture points located on face and hands. Participants will be shown that by learning the art of this “do-it yourself” technique, one can stimulate their own body’s energy system by releasing negative energy and return their body to a state of balance while providing pain relief.

Please register for this presentation by February 9, 2012, online at www.tccancer.org or by calling (509) 737-3427. The Tri-Cities Cancer Center is located at 7350 W. Deschutes Ave., Kennewick.

The Tri-Cities Cancer Center is able to offer programs like this at no cost, thanks to generous contributions from organizations like Hapo Community Credit Union and others. Donations to the Tri-Cities Cancer Center Foundation stay local and are used to provide valuable non-reimbursed cancer programs and services for patients, their families and the community.
